### Uncle's Pride

**About Our Pizza:** *It's been said we make the best pizza in the Northeast. And I guess if you take a handed-down family recipe that's hundreds of years old, use nothing but the finest ingredients and make your pizza dough fresh daily, you can produce an excellent product. We'll let you be the judge, because, as you know, "In the food business, it's all a matter of taste."*
